

Support the CLCA Kern County Chapter in 2015

The California Landscape Contractors Association of Kern County invites you to be a partner of our chapter by participating in our Sponsorship Program.

During 2014, the CLCA Kern County Chapter provided educational opportunities to help you keep your business on the leading edge, and social opportunities to help you feel connected and supported.

Because of our annual sponsors, we are able to underwrite some of the expenses of our events in order to make them more affordable to attend -- events such as the Kickoff Meeting, the Golf Tournament, the Awards Program, and the Christmas Party.

Sponsorship of the CLCA Kern County Chapter provides many benefits such as monthly recognition in our chapter newsletter and on the chapter website, inclusion on our sponsorship banner displayed at all our chapter events, and complimentary admission to many of the events throughout the year.
